2011 Opening Event - Eurostars + EUREKA Clusters

The 2011 Opening Event on EUREKA and the Clusters, organised by TUBITAK (The Scientific and Technological Research Council of (Turkey) took place in Istanbul on 19 January 2011. It attracted around 100 organisations (SMEs and large companies, universities and R&D institutions) interested in international R&D cooperation and a large number of participants taking the opportunity to directly discuss issues with the speakers and meet with the Turkish EUREKA project Officers.

Ms Isoline ROGER-DALBERT, Eurostars Project Officer, gave an introduction on the EUREKA Initiative and more specifically on the Eurostars programme. Mr Heinz BRUEGGEMANN, Director of Celtic Office and Mr Fopke KLOK, Director of ITEA2 Office, presented the EUREKA Clusters. 25 Bilateral meetings between participants and Turkish Project Officers were organised during the afternoon session. Presentations available [here](#).
