New projects in ITEA 2 Call 7 - Addressing a wide range of topics

date of publication > 23-April-2013

A total of 18 projects were labelled in Call 7, addressing a wide range of topics. The impressive figures of 23 FPPs comprising a little over 3000 person years (PY) and involving 22 different countries demonstrate the ITEA spread throughout Europe, and beyond. With more than 40% of the person years required for SMEs, shows how successfully ITEA mobilises innovative SMEs around large global industrial leaders to push innovation worldwide.
