Vinnova – Sweden's Innovation Agency

We enable innovation that makes a difference!

Vinnova's mission is to strengthen Sweden's innovative capacity to contribute to sustainable growth.

In 2021 more than **3700 projects** received funding from Vinnova for a total amount of **3,7 billion SEK**.

200 employees in Sweden + small offices in Brussels, Silicon Valley and Tel Aviv.

National priorities

Sweden

We are looking for:

Industry driven and innovative projects with a high potential to strengthen Sweden's competitiveness and contribute to achieving the Sustainable Development Goals, in accordance with Agenda 2030.

- The projects should have a **potential to lead to increased competitiveness and growth** in participating Swedish companies
- There should be a **clear value from the international cooperation**
- The Swedish consortium should be **industry-driven** (min 60% effort from companies)
- If many participants, **good balance** between large companies, SMEs and academia / research institutes.

(New version with minor changes will be uploaded in Sep)
 - Templates for national application is also found here.

Eureka ITEA Call 2023

 Opens 12 Sep 2023

ITEA Call 2023 - Process Sweden

Eligibility criteria

Sweden

- Proposal should have received a **label** from ITEA.
- The Swedish consortium must include at **least 1 small and medium sized enterprise (SME)**.
- For **SMEs**, the following conditions must be met at the time when the Swedish proposal is submitted to Vinnova:
 - The company must have **at least 1 million SEK in net sales** according to the latest annual report. (Net sales do not include public grant from, for example, Vinnova or the EU.)
 - The company must have a at least **3 full-time employees** according to the latest annual report.
- The work effort from **companies** must be **at least 60 %** of Swedish consortium's total work effort
- The project must not have started before the proposal is submitted.

Funding outlook

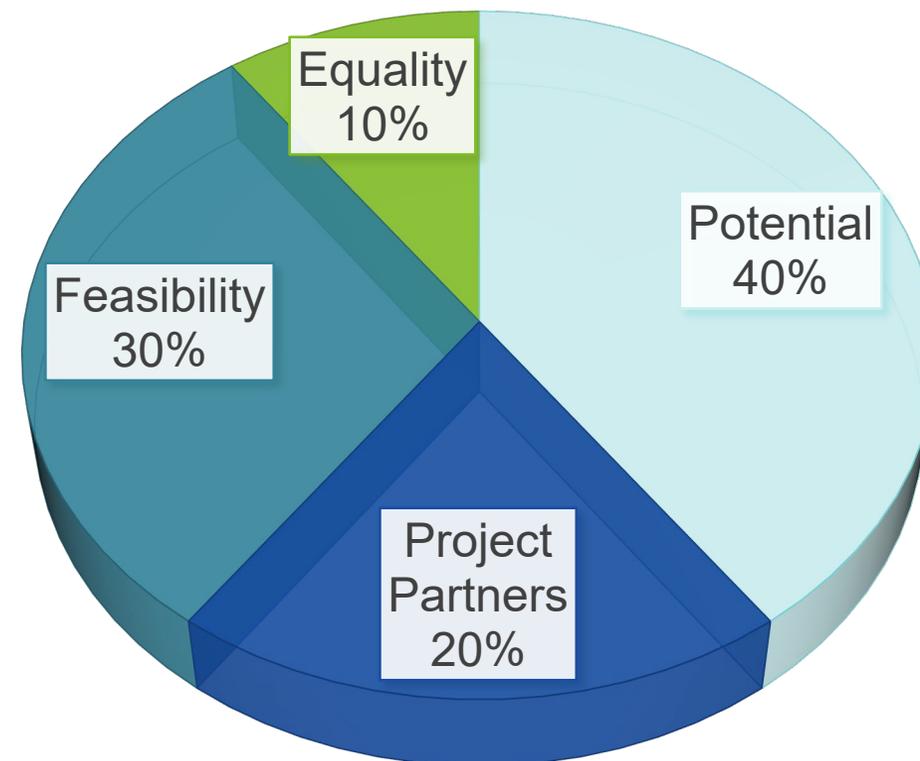

Sweden

- We finance up to a maximum of **SEK 15 million** per project. (The projects generally run over three years.)
- Vinnova's co-financing can amount to a **maximum of 50 %** of the entire **Swedish consortium's eligible costs**.
- **Funding rates**
 - Maximum **50%** from Vinnova to Swedish **SMEs**
 - Maximum **30%** from Vinnova to **large companies**
 - Up to **100%** from Vinnova to **universities** and **research institutes**
- Vinnova has a **budget of SEK 100 million** per year, for **all the Eureka Clusters Sweden participates** in, to finance both ongoing and new projects.

Assessment Criteria for National Application

Sweden

- Potential (weight 40%)
- Project Partners (weight 20%)
- Feasibility (weight 30%)
- Equality (weight 10%)
